

## Recommended Course Sequence AY 2021-2022

*\*This document does not constitute an official degree plan, but rather serves as a tool for 4-year degree planning with an academic advisor. Copies of an official degree audit and transcripts are also useful documents for degree planning. Given UNT Dallas allows students to register in courses for multiple terms within the academic year, this document also supports multi-term course scheduling. Students should always confirm their course selections with an academic advisor to avoid taking unnecessary repeated courses and/or courses that do not meet financial assistance requirements\**

## RECOMMENDED COURSE SEQUENCE NOTES

---

Plans assume TSI College Readiness requirements have been met in all subjects. All prerequisites must be met for course enrollment. Refer to the Undergraduate Catalog (<http://catalog.untDallas.edu/>) for TSI requirements and course descriptions for all course prerequisites.

<sup>1</sup> Even if summer courses are not listed or recommended, students can use the summer sessions to take courses to continue progress to degree attainment. Refer to the course descriptions of the Undergraduate Catalog for information related to course offerings typical for each term and the posted schedule of classes in myUNT.D.

<sup>2</sup> Course meets core and major requirement.

<sup>3</sup> Any level COMM elective – Students can take any course not already required for the major with a prefix COMM. Courses listed in the plan are recommendations by the department.

<sup>4</sup> COMM 4335 and COMM 4510 Capstone course should only be taken in senior year when the majority of COMM classes have been taken to be successful in the course.

<sup>5</sup> Students need 45 hours of 3000 or 4000 level credit to graduate with the baccalaureate degree. Any advanced level course would be acceptable to fulfill graduation requirements. Courses listed are recommended by the department. See academic advisor for assistance in course selection.

<sup>6</sup> Students must earn at least 120 hours to graduate with this degree. Consult with your academic advisor and an official degree audit to determine if elective credit is needed. Any level elective credit would suffice. Courses listed are recommended by the department.
