I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.

Throughout the semester I will request from the class to complete an evaluation form to determine areas of improvement and or maintain the pace of instruction and teaching style. Your comments will be greatly appreciated.

The class is designed as a shared learning experience and essential to the acquisition process of new information and knowledge generally located in and outside of the textbook. Emphasis for this course will focus on group discussions throughout the semester in class. The dynamic and intensive nature of this course makes it impossible for students to make-up or to receive credit for missed classes. Attendance and participation in all class meetings is essential to the integration of course material and your ability to demonstrate proficiency. Students are responsible to notify the instructor if they are missing class and for what reason. Students are also responsible to make up any work covered in class. It is recommended that each student coordinate with a classmate to obtain a copy of the class notes and any handouts. Early morning classes will require that students plan ahead and arrive on campus early in order to avoid heavy traffic situations, severe weather conditions, or any potential accidents while in route to campus. Class will begin as scheduled.

The following attendance policy will apply. 2 tardies = 1 unexcused absence 3 tardies = 2 absences 3 absences will merit scheduling a conference with the instructor.
