PEDAGOGY AND PROFESSIONAL RESPONSIBILITIES STANDARDS:
TAC §228.30:
Generalist EC-6: The teacher promotes student learning by providing responsive instruction that makes use of effective communication techniques, instructional strategies that actively engage students in the learning process and timely and high-quality feedback.

TEA State Standards
§117.1. Implementation of Texas Essential Knowledge and Skills for Fine Arts, Elementary.
The provisions of this subchapter shall supersede §75.31(a)-(f) of this title (relating to Fine Arts) beginning September 1, 1998. Review of TEA Chapter 117.1 Implementation of Texas Essential Knowledge and Skills for Fine Arts, Elementary will be reviewed throughout the semester as it applies to the activities children can work on while in the classroom. The introduction and knowledge and skills subsections for each grade level will be reviewed and applied to the activities students will be working with throughout the semester.

Music – Music in the classroom is a component of this course. Students will learn how to play a variety of instruments, use music as an educational tool in children’s academic environments and will include basic music reading skills, performance through singing games and performance and childhood musical development. Fundamentals in music literacy will be discussed and assessed from both a musical and pedagogical perspective, focusing on best practices in teaching basic music skills to children. All students will learn appropriate literature representing Texas, America, and World Music. Additionally, students will experience a variety of methodological approaches in the development of music learning from early childhood through fifth grade.

**University Policies and Procedures**

3

**Students with Disabilities (ADA Compliance):**

The University of North Texas Dallas faculty is committed to complying with the Americans with Disabilities Act (ADA). Students' with documented disabilities are responsible for informing faculty of their needs for reasonable accommodations and providing written authorized documentation. Grades assigned before an accommodation is provided will not be changed as accommodations are not retroactive. For more information, you may visit the Student Life Office, Suite 200, Building 2 or call Laura Smith at 972-780-3632.

**Student Evaluation of Teaching Effectiveness Policy:**

The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.

**Assignment Policy:**

Assignments not submitted will receive no credit ("0") and the zero recorded in the grade book. Late assignments are given a reduction of 30% so please plan ahead.

**Academic Integrity:**
Academic integrity is a hallmark of higher education. You are expected to abide by the University’s code of Academic Integrity policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University’s policies and procedures. Refer to the Student Code of Academic Integrity at http://www.unt.edu/unt-dallas/policies/Chapter%2007%20Student%20Affairs,%20Education,%20and%20Funding/7.002%20Code%20of%20Academic%20Integrity.pdf for complete provisions of this code.

In addition, all academic work submitted for this class, including art, exams, papers, and written assignments should include the following statement:

On my honor, I have not given, nor received, nor witnessed any unauthorized assistance that violates the UNTD Academic Integrity Policy.

Bad Weather Policy:
On those days that present severe weather and driving conditions, a decision may be made to close the campus. In case of inclement weather, call UNT Dallas Campuses main voicemail number (972) 780-3600 or search postings on the campus website www.unt.edu/dallas. Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.

Attendance and Participation Policy
This course is a lecture/lab format. Students MUST attend and participate fully in all lectures and all labs. Attendance will be taken in every class. The final grade for the course will depend on the successful completion of both the lecture and the lab component. Some of the content will be introduced in the lecture, and that content will be further explored during studio assignments in the lab.

Optional Policies:
- Use of Blackboard course management is required for viewing grades and accessing lecture materials for study.
- Cell Phones, computers & other electronic devices in the classroom are to be used for educational purposes ONLY.
