University Policies and Procedures

Students with Disabilities (ADA Compliance):
The University of North Texas Dallas faculty is committed to complying with the Americans with Disabilities Act (ADA). Students' documented disabilities are responsible for informing faculty of their needs for reasonable accommodations and providing written authorized documentation. For more information, you may visit the Office of Disability Accommodation/Student Development Office, Suite 115 or call Laura Smith at 972-780-3632.

Student Evaluation of Teaching Effectiveness Policy:
The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.

Assignment Policy:
Late Work—NO LATE WORK IS ACCEPTED
In case of illness, an excuse will be required for work to be accepted late (no more than a week). In case of a death in the family, obituary evidence will be required. Other extraneous circumstances such as accidents, inclement weather or epidemics will be dealt with on a case-by-case basis.

Attendance
Attendance and class participation in class are expected. If you know in advance that you will be absent, please send your instructor an e-mail before the absence. In general, three absences are acceptable in a long semester course. Any absence after three will be deducted one percent from the attendance percentage points.

Professionalism and leadership
As a profession, teachers call on practitioners to meet high ethical standards, to find constructive ways to deal with problems and to offer appropriate support with colleagues. Leadership means being a member of the team who accepts responsibility without being bossy and helps colleagues without doing their work for them.

Students are expected to show professionalism and respect for classmates and instructors by: not chewing gum while presenting in front of peers, **not reading from cell phones, not texting in class**, not using ipods in class.

Dealing with concerns
If you have issues about the instructor, make an appointment with the instructor or visit him/her during office hours to discuss and resolve your concerns. If you have issues related to classmates, talk to the classmate involved first to resolve the issues. If needed, then go to the instructor for final resolution.

Exam Policy:
**Exams should be taken as scheduled. No makeup examinations will be allowed except for documented emergencies (See Student Handbook).**

Academic Integrity:
**Academic integrity is a hallmark of higher education. You are expected to abide by the University’s code of conduct and Academic Dishonesty policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University’s policies and procedures. Refer to the Student Code of Conduct at http://www.unt.edu/csrr/student_conduct/index.html for complete provisions of this code.**

Bad Weather Policy:
**On those days that present severe weather and driving conditions, a decision may be made to close the campus. In case of inclement weather, call UNT Dallas Campuses main voicemail number (972) 780-3600 or search postings on the campus website www.unt.edu/dallas. Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.**
Attendance and Participation Policy:

The University attendance policy is in effect for this course. Class attendance and participation is expected because the class is designed as a shared learning experience and because essential information not in the textbook will be discussed in class. The dynamic and intensive nature of this course makes it impossible for students to make-up or to receive credit for missed classes. Attendance and participation in all class meetings is essential to the integration of course material and your ability to demonstrate proficiency. Students are responsible to notify the instructor if they are missing class and for what reason. Students are also responsible to make up any work covered in class. It is recommended that each student coordinate with a student colleague to obtain a copy of the class notes, if they are absent.

Diversity/Tolerance Policy:
Students are encouraged to contribute their perspectives and insights to class discussions. However, offensive & inappropriate language (swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions which violate the Code of Student Conduct will be referred to the Center for Student Rights and Responsibilities as the instructor deems appropriate.

Optional Policies:
- Use of WebCT/Blackboard
- Use of Cell Phones & other Electronic Gadgets in the Classroom
- Food & Drink in the Classroom
- Use of Laptops
- Grade of Incomplete, “I”
