**Method of Instructions:** Lectures, text discussion forums, exercises, supplemental materials, and individual assignments.

**NOTE:** All reading assignments, classroom discussions, handouts, internet downloads, articles, homework and lecture presentations are open for test inclusion.

    The single-most important aspect of chapter reading & study is the student’s understanding of the context.
Tests/EXAMS
There will be two tests.
There will be one final exam – comprehensive.
Tests/Exam will consist of matching, multiple choice, fill in the blank, and/or true/false questions.
Each test and exam is worth 100 points each.

Leadership Log
A Leadership Log HANDOUT will be distributed on the first day of class to each student.
Each student is required to keep a “Leadership Log”, in which you will make an entry relative to the chapter discussion and practical application/learning outcomes… (your observation, interpretation and application) explain future uses.
Enteries to your log will be due at the end of each chapter discussion forum (each class).
There will be 14 log entries required through the course of the semester.
Each log entry is worth 5 points.
Each log entry must be turned in before you leave class… at the end of each class… and must be initialed/dated by the professor.
No points will be given after the due date.
Attendance is required to receive points.
Periodic leadership trivia will be incorporated…first student to solve the trivia will receive an automatic 5 points and will not have to record a log entry on that day.

Leadership Statement
A Leadership Statement HANDOUT will be distributed on the first day of class to each student.
Each student is required to complete the form and return it back to the professor at the end of the first class.
Likewise, a Leadership Statement HANDOUT will be distributed on the last day of class to each student.
Each student is required to complete the form and return it back to the professor at the end of the last class.

Business Leader – Research Column
Your business leader research project will culminate in a written research column and presentation.
Research column should include both a description/evaluation of your chosen leaders’:
- successes (effectiveness), and
- weaknesses (ineffectiveness) as well as recommendations for improvement.
See HANDOUT distributed on first day for detailed instructions.
Deductions will be made for both minor and major errors.

Vision/Mission Statements
Each student is required to create both a personal vision statement and mission statement based on the textbook framework.
Each statement will be worth 15 points.

Q&A Exercises/Case Analysis Study
Periodic discussions will be incorporated throughout the semester.

- **A** = 468 – 520 pts; i.e. 90% or better
- **B** = 416 – 467 pts; i.e. 80 – 89 %
- **C** = 364 – 415 pts; i.e. 70 – 79 %

### GRADING SYSTEM

UNT Dallas’ grading system uses the letters A, B, C, D, F, P, NP, I, PR, W, WF, and Z.

- **A** — excellent work, four grade points for each semester hour.
- **B** — good work, three grade points for each semester hour.
- **C** — fair work, two grade points for each semester hour.
- **D** — passing work, one grade point for each semester hour.
- **F** — failure; given when a student (1) has failed the course while still officially enrolled at the end of the term/semester; (2) is failing a course and misses the final examination without satisfactory explanation; or (3) stops attending class without processing an official drop or withdrawal.
- **P** — passed; a credit grade (1) on pass/no pass option, (2) on student teaching, and (3) in selected undergraduate and graduate individual problems, research, thesis and dissertation courses.
- **NP** — not passed; a failing grade on the pass/no pass option; non-punitive.
- **I** — I is a non-punitive grade given only during the last one-fourth of a term/semester and only if a student (1) is passing the course and (2) has justifiable and documented reason, beyond the control of the student (such as serious illness or military service), for not completing the work on schedule. The student must arrange with the instructor to finish the course at a later date by completing specific requirements. These
requirements must be listed on a Request for Grade of Incomplete form signed by the instructor, student and department chair and must be entered on the grade roster by the instructor. Grades of I assigned to an undergraduate course at the end of the Fall 2007 semester and later will default to F unless the instructor has designated a different automatic grade. See also “Removal of I” policy in the Academics section of this catalog.

PR — used to show that work is in process on thesis or dissertation in courses numbered 5950D.

W — drop or withdrawal without penalty. Given when a student drops a course or withdraws from the university prior to the end of the sixth week of classes of long terms/semesters or corresponding dates for summer sessions. After that time the student must have a passing grade for the instructor to assign a grade of W for a dropped course; otherwise, the grade of WF is recorded.

WF — drop or withdrawal with a failing grade. Instructor may drop a student with a grade of WF from courses for nonattendance. May be assigned from the 7th through the 13th week of classes of long terms/semesters or corresponding dates for summer sessions.

Z - used to indicate that a grade was not properly received and/or recorded for a course.

Note: No grade points are allowed for grades F, I, NP, P, PR, W, WF or Z.

A complete record of all previously used grades and grading systems is detailed on the official transcript.

University Policies and Procedures

Students with Disabilities (ADA Compliance):
The University of North Texas Dallas is on record as being committed to both the spirit and letter of federal equal opportunity legislation; reference Public Law 92-112 – The Rehabilitation Act of 1973 as amended. With the passage of new federal legislation entitled Americans with Disabilities Act (ADA), pursuant to section 504 of the Rehabilitation Act, there is renewed focus on providing this population with the same opportunities enjoyed by all citizens.

As a faculty member, I am required by law to provide "reasonable accommodations" to students with disabilities, so as not to discriminate on the basis of that disability. Student responsibility primarily rests with informing faculty of their need for accommodation and in providing authorized documentation through designated administrative channels. For more information, you may visit the Student Life Office, Suite 200, Building 2 or call 972-780-3632.

The Department of Management is committed to full academic access for all qualified students, including those with disabilities. In keeping with this commitment and in order to facilitate equality of educational access, faculty members in the department will make reasonable accommodations for qualified students with a disability, such as appropriate adjustments to the classroom environment and the teaching, testing, or learning methodologies when doing so does not fundamentally alter the course.

If you have a disability, it is your responsibility to obtain verifying information from the Office of Student Life and to inform me of your need for an accommodation. Grades assigned before an accommodation is provided will not be changed. Information about how to obtain academic accommodations can be found in UNTD Policy 7.004, Disability Accommodations for Students, and by visiting Student Life, building 2, Suite 200. 972-780-3632, studentlife@unt.edu.

Student Evaluation of Teaching Effectiveness Policy:
The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.

Assignment Policy:
All assignments should be typed/printed and brought to class ready to turn in on scheduled due date.
Do not send assignments via email.
Late assignments will not be accepted.
Header should always include: Student Name, Date, and Course Name/Number.
Exam Policy:
Exams should be taken as scheduled. **No makeup examinations will be allowed** except for documented emergencies (See Student Handbook). All chapter reading assignments, classroom discussions, handouts, homework and lecture presentations will be inclusive. Once testing begins, students will not be allowed to leave the classroom until testing is completed.

Academic Integrity:
Academic integrity is a hallmark of higher education. You are expected to abide by the University’s code of conduct and Academic Dishonesty policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University’s policies and procedures. Refer to the Student Code of Conduct at [http://www.unt.edu/csrr/student_conduct/index.html](http://www.unt.edu/csrr/student_conduct/index.html) for complete provisions of this code.

Bad Weather Policy:
On those days that present severe weather and driving conditions, a decision may be made to close the campus. In case of inclement weather, call UNT Dallas Campuses main voicemail number (972) 780-3600 or search postings on the campus website [www.unt.edu/dallas](http://www.unt.edu/dallas). Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.

Attendance and Participation Policy:
The University attendance policy is in effect for this course. Class attendance and participation is expected because the class is designed as a shared learning experience and because essential information not in the textbook will be discussed in class. The dynamic and intensive nature of this course makes it impossible for students to make-up or to receive credit for missed classes. **Attendance and participation in all class meetings is essential to the integration of course material and your ability to demonstrate proficiency.** Students are responsible to notify the instructor if they are missing class and for what reason. **It is recommended that each student coordinate with a student colleague to obtain a copy of the class notes, if they are absent.**

**EXPECTATION:** Students should attend each class for the entire period and be on time.

Diversity/Tolerance Policy:
Students are encouraged to contribute their perspectives and insights to class discussions. However, offensive & inappropriate language (swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions which violate the Code of Student Conduct will be referred to the Center for Student Rights and Responsibilities as the instructor deems appropriate.

**EXPECTATION:** Zero tolerance for disrespectful and unprofessional behavior.

Additional Policies:
- Use of Cell Phones – will not be permitted during class time.
- **Use of Laptops – may be used for taking notes during classroom discussions, but will not be permitted on quiz/testing dates.**
- Tape Recording – will not be permitted in class.

Note: Playing games on a laptop or other electronic device, processing e-mail or surfing the internet for recreational purposes during class is considered to be disrespectful and a distraction to the professor and other students.
