Course Goals or Overview:

Learning Objectives/Outcomes: At the end of this course, the student will

**Core Curricular Experiences**

1. historical perspectives concerning the nature and meaning of assessment;
2. basic concepts of standardized and nonstandardized testing and other assessment techniques, including norm-referenced and criterion-referenced assessment, environmental assessment, performance assessment, individual and group test and inventory methods, psychological testing, and behavioral observations;
3. statistical concepts, including scales of measurement, measures of central tendency, indices of variability, shapes and types of distributions, and correlations;
4. reliability (i.e., theory of measurement error, models of reliability, and the use of reliability information);
5. validity (i.e., evidence of validity, types of validity, and the relationship between reliability and validity);
6. social and cultural factors related to the assessment and evaluation of individuals, groups, and specific populations; and
7. ethical strategies for selecting, administering, and interpreting assessment and evaluation instruments and techniques in counseling.

8. historical perspectives concerning the nature and meaning of assessment;
9. basic concepts of standardized and nonstandardized testing and other assessment techniques, including norm-referenced and criterion-referenced assessment, environmental assessment, performance assessment, individual and group test and inventory methods, psychological testing, and behavioral observations;

**I. Student Learning Outcomes (SLOs) Assessed:** The student will demonstrate knowledge, skills, and practices necessary for success as a professional counselor via his or her participation in key assessments in this course. SLOs for this course are as follows:

<table>
<thead>
<tr>
<th>CMHC Outcome</th>
<th>CACREP</th>
<th>Evaluation</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Knows the principles and models of assessment, case conceptualization, and concepts of normalcy and psychopathology leading to diagnoses and appropriate counseling treatment plans.</td>
<td>G1</td>
<td>Ax admin, report, session</td>
</tr>
<tr>
<td>2. Understands various models and approaches to clinical evaluation and their appropriate uses, including diagnostic interviews, symptom inventories, and psychoeducational and personality assessments.</td>
<td>G2</td>
<td>Ax admin, report, session</td>
</tr>
</tbody>
</table>
3. Selects appropriate comprehensive assessment interventions to assist in diagnosis and treatment planning, with an awareness of cultural bias in the implementation and interpretation of assessment protocols.

4. Understands the relevance and potential biases of commonly used diagnostic tools with multicultural populations.

Course Evaluation Methods
This course will utilize the following instruments to determine student grades and proficiency of the learning outcomes for the course. (provide any necessary details of the instruments – examples given)

Grading Matrix:

**KEY ASSESSMENT (3 parts):**
- **Parent Interview & Child/Adolescent Assessment Administration** 20
- **Child/Adolescent Evaluation Report** 25
- **Mock Parent Feedback Session** 15

Instrument Evaluation 25
Class Attendance 15

**Final Grade:**
- 91-100 = A
- 81-90 = B
- 71-80 = C
- F<71

University Policies and Procedures

**Students with Disabilities (ADA Compliance):**
The University of North Texas Dallas faculty is committed to complying with the Americans with Disabilities Act (ADA). Students’ with documented disabilities are responsible for informing faculty of their needs for reasonable accommodations and providing written authorized documentation. For more information, you may visit the Office of Disability Accommodation/Student Development Office, Suite 115 or call Laura Smith at 972-780-3632.

**Student Evaluation of Teaching Effectiveness Policy:**
The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.
Assignment Policy:
Late assignments will automatically receive a 20-point reduction. Late assignments will be penalized an additional 5 points for every additional date that it is not turned in.

Exam Policy:
Exams should be taken as scheduled. No makeup examinations will be allowed except for documented emergencies (See Student Handbook).

Academic Integrity:
Academic integrity is a hallmark of higher education. You are expected to abide by the University’s code of conduct and Academic Dishonesty policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University’s policies and procedures. Refer to the Student Code of Conduct at http://www.unt.edu/csrr/student_conduct/index.html for complete provisions of this code.

Bad Weather Policy:
On those days that present severe weather and driving conditions, a decision may be made to close the campus. In case of inclement weather, call UNT Dallas Campuses main voicemail number (972) 780-3600 or search postings on the campus website www.unt.edu/dallas. Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.

Attendance and Participation Policy:
The University attendance policy is in effect for this course. Class attendance and participation is expected because the class is designed as a shared learning experience and because essential information not in the textbook will be discussed in class. The dynamic and intensive nature of this course makes it impossible for students to make-up or to receive credit for missed classes. Attendance and participation in all class meetings is essential to the integration of course material and your ability to demonstrate proficiency. Students are responsible to notify the instructor if they are missing class and for what reason. Students are also responsible to make up any work covered in class. It is recommended that each student coordinate with a student colleague to obtain a copy of the class notes, if they are absent. Students will not miss more than 2 classes. Students missing more than 2 classes will receive a penalty on their final grade. This class will not differentiate between excused absence and unexcused absences.

Diversity/Tolerance Policy:
Students are encouraged to contribute their perspectives and insights to class discussions. However, offensive & inappropriate language (swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions which violate the Code of Student Conduct will be referred to the Center for Student Rights and Responsibilities as the instructor deems appropriate.

Optional Policies:
- This class does not require the use of webct/ecampus/blackboard, but additional class materials will be available on the site.
- Use of Cell Phones & other Electronic Gadgets in the Classroom: No electronic gadgets, phones, etc. will be allowed in the classroom. You will not be permitted to text or take phone calls during class.
- Food & Drink in the Classroom: Food and drink are allowed in classroom provided they do not interfere with the educational process.
- The Professor for this course will neither ask for nor utilize your personal email for course communications. Students have been issued eagle mail accounts, and all course communication will occur through that email account.
