**EXPLANATION OF ASSIGNMENTS**

_Todas las tareas requieren respuestas en español_

**Spanish Proficiency Action Plan**  
The student will register and take practice exams offered by the Teacher Education department to prepare for EC-6 Bilingual Generalist Certification and the BTLPT. From the results and in-class assessments the student will submit a written action plan. If you have already taken the practice exam (or actual exam and passed it), you will still need to write a reflection and a plan to increase your Spanish language proficiency, since
educators are committed to continuous improvement! See Ms. Tricia McBride in Building # 1 for practice exam schedule.

**Double Entry Journal**
The student will submit 4 double entries for 4 chapters of *La enseñanza de la lectura y la escritura en español y en inglés en clases bilingües y de doble inmersión*. This means that you will have 16 entries TOTAL. The student will choose from the nine chapters of the textbook.

**Spanish Lesson Plans**
The student will submit four lesson plans in Spanish; one in each of the content areas (mathematics, science, and social studies) and one in reading/language arts. The instructor will make corrections, suggestions, and comments for improvement. You are expected to study these annotations carefully and incorporate corrections for subsequent lesson plans. You may include these lesson plans in your thematic units if they are suitable to your theme.

**Observation Reflections**
The student will submit 4 reflexive entries about the principles and practices they notice during classroom visits then discuss and relate their observation to what we are reading and discussing in class. For example, one of the activities will ask students to notice the language their mentor teacher uses with students. The student will then identify and discuss/critique the practices teachers are implementing with students. You must turn these in, even if you have exempt status for classroom observations.

**Parent Workshop**
The student will work with a partner to develop a workshop for parents and present it to the class. The instructor may provide foundational material for relevant topics.

**Spanish Lesson Plan Demonstration**
The student will select a lesson plan from one of the four written ones assigned (Mathematics, Science, Social Studies, and Reading/Language Arts) and present the lesson plan in class. Please prepare a PowerPoint or Prezi for your demonstration and bring any materials you plan to use for your lesson.

**Thematic Unit**
The student will submit a thematic unit plan. The thematic unit will include an abstract, annotated bibliography of 10 resources, 3 lesson plans that address language and content area objectives, and a one-paragraph reflection. This assignment is due at the end of the semester and must also be uploaded to Tk20 for evaluation. You will present a brief summary of your thematic unit to the class on the last day.

**University Policies and Procedures**

**Students with Disabilities (ADA Compliance):**

Chapter 7(7.004) Disability Accommodations for Students

The University of North Texas at Dallas makes reasonable academic accommodation for students with disabilities. Students seeking accommodations must first register with the Disability Services Office (DSO) to verify their eligibility. If a disability is verified, the DSO will provide you with an accommodation letter to be
delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request accommodations at any time, however, DSO notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet/communicate with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Disability Services Office website at [http://www.untdallas.edu/disability](http://www.untdallas.edu/disability). You may also contact them by phone at 972-338-1777; by email at UNTDdisability@untdallas.edu or at Building 2, room 204.

**Blackboard Learn Accessibility Statement:**

**Student Evaluation of Teaching Effectiveness Policy:**
Student’s evaluations of teaching effectiveness is a requirement for all organized classes at UNT Dallas. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider students’ evaluations to be an important part of your participation in this class.

**Assignment Policy:** (According to the instructor’s discretion while working in concert with the division/program’s guidelines).

**Academic Integrity:**
Academic integrity is a hallmark of higher education. You are expected to abide by the University’s code of Academic Integrity policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University’s policies and procedures. Refer to the Student Code of Academic Integrity at [http://www.untdallas.edu/sites/default/files/page_level2/pdf/policy/7.002%20Code%20of%20Academic_Integrity.pdf](http://www.untdallas.edu/sites/default/files/page_level2/pdf/policy/7.002%20Code%20of%20Academic_Integrity.pdf) for complete provisions of this code.

Academic dishonesty includes, but is not limited to, cheating, plagiarizing, fabrication of information or citations, facilitating acts of dishonesty by others, having unauthorized possession of examinations, submitting work of another person or work previously used without informing the instructor, or tampering with the academic work of other students.

**Web-based Plagiarism Detection:** Please be aware in some online or hybrid courses, students may be required to submit written assignments to Turnitin, a web-based plagiarism detection service, or another method. If submitting to Turnitin, please remove your title page and other personal information.
Classroom Policies

Attendance and Participation:

The University attendance policy is in effect for this course. Class attendance in the Blackboard classroom and participation is expected because the class is designed as a shared learning experience, and because essential information not in the textbook will be discussed in the discussion board. Online presence and participation in all class discussions is essential to the integration of course material and your ability to demonstrate proficiency.

To maintain financial aid award eligibility, activity must occur before the census date of the session or term of the course. Refer to http://www.untdallas.edu/registrar for specific dates. If you are absent/not active in the course shell, it is YOUR responsibility to let the instructor know immediately, upon your return, the reason for your absence if it is to be excused. All instructors must follow university policy 7.005 covering excused absences; however, it is the instructor’s discretion, as outlined in the course syllabus, of how unexcused absences may or may not count against successful completion of the course.

Deadlines and Incompletes: Please be mindful of University deadlines for dropping and withdrawing from classes. Also, in order for me to consider giving an INCOMPLETE for this course, you must be passing it, and you must present documentation of extenuating circumstances that have prevented you from completing your obligations for this course. If these two conditions do not apply, please do not ask for an Incomplete Grade.

Inclement Weather and Assignment Due Dates: Unless otherwise notified by your instructor via e-mail, online messaging, or online announcement, students should assume that assignments are due as scheduled.

Online “Netiquette:
In any social interaction, certain rules of etiquette are expected and contribute to more enjoyable and productive communication. Emails, Discussion Board messages and/or any other forms of written communication in the online environment should use proper “netiquette” (i.e., no writing in all caps (usually denotes yelling), no curse words, and no “flaming” messages (angry, personal attacks).

Racial, ethnic, or gender slurs will not be tolerated, nor will pornography of any kind.

Any violation of online netiquette may result in a loss of points or removal from the course and referral to the Dean of Students, including warnings and other sanctions in accordance with the University’s policies and procedures. Refer to the Student Code of Student Rights Responsibilities and Conduct at http://www.untdallas.edu/osa/policies. Respect is a given principle in all online communication. Therefore, please be sure to proofread all of your written communication prior to submission.

Diversity/Tolerance Policy:
Students are encouraged to contribute their perspectives and insights to class discussions in the online environment. However, offensive & inappropriate language (swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions which violate the Code of Student Conduct will be referred to the Dean of Students as the instructor deems appropriate.

Technology Requirements: In order to successfully access the materials in an online or hybrid course, UNT Dallas advises that your computer be equipped with the minimum system requirements.
Blackboard Learn 9.1 is the platform software for this course. Blackboard Learn supports major web browsers such as Windows Internet Explorer, Apple Safari, Mozilla Firefox, and Google Chrome. However, since the latter two are updated continually, some recent versions may not be compatible. If you experience difficulty accessing or using components of the course, try using Internet Explorer. Also, no matter what browser you use, always enable pop-ups. For more information see:
