Policy Statement. UNT Dallas seeks to create an atmosphere of openness and tolerance and to maintain work and education environments that offer equal opportunity to everyone who strives to achieve his or her personal best. Individuals within the UNT Dallas community are unified by a primary purpose: higher learning. With that primary purpose in mind, UNT Dallas works to advance ideals of human worth and dignity by facilitating open discussion, supporting rational resolution of conflict and encouraging examination of values.

In that vein, discrimination and harassment based on individual differences such as race, color, religion, sex, age, national origin, disability, veteran status or sexual orientation in its educational programs, activities, admission and employment practices is inconsistent with UNT Dallas’ mission and educational goals. Individuals who work, study, live and teach within this community are expected to refrain from behavior that threatens the freedom, safety and respect deserved by every community member and to comply with federal and state equal opportunity laws and regulations. Such compliance is not only a given standard, but is, in fact, a baseline from which our community works to assure fairness and equity to all who pursue their educational and professional goals here.

Students, faculty or staff with concerns or questions should contact the Equal Opportunity Coordinator, Jarred Davis, at 972-780-3037 or TTY 888-937-9291.
