The Federal Direct Parent PLUS Loan Program provides long-term, low-interest loans for parents, borrowed directly from the U.S. Department of Education. The Parent PLUS loan is available for the parents (natural or adoptive parent, and any step-parent whose information is on the FAFSA) of dependent undergraduate students only.

**All new parent borrowers** will need to complete a Federal Direct Parent PLUS Loan electronic Master Promissory Note (eMPN). Parents of continuing students who applied and were **approved in a previous year without an Endorser** are **not required** to complete a new eMPN. Parents of continuing students who were **approved with an Endorser in a previous year** are **required** to complete a new eMPN. The eMPNs will not be available for completion until **5-7 business days** after the Parent PLUS Loan is credit **approved**.

**Information Needed:**

- **Important:** The parent borrower will need their Department of Education PIN (same PIN used for the FAFSA) to complete the Parent PLUS loan application and electronically sign a **New** electronic Master Promissory Note (eMPN) for the Direct Loan Program. If you have forgotten your PIN, or do not yet have one, please go to [www.pin.ed.gov](http://www.pin.ed.gov) to have the PIN sent to you.
- The parent borrower should have their Social Security Number, date of birth, and driver’s license number accessible.
- During the eMPN process, the parent borrower is required to provide two personal references with their full name, address, and telephone numbers. Each reference provided must have a U.S. address that is **not** the same as the student’s address, and the two references may **not** reside at the same address.

| Have your student review their Financial Aid Award on the MyUNTDallas portal and accept all or a portion of their Direct Parent PLUS Loan.  
- You are not required to accept the full amount offered.  
- The PLUS amount can be reduced on myUNT and/or during the online application process (Step Two).  
  
We advise you to apply for the amount needed for the full academic year (Fall and Spring) to avoid having to complete another PLUS Loan Request that will trigger a second credit check for the spring term.
