## Course Catalog Description:
This course prepares pre-service teachers within both EC-4 & 4-8 certificate programs to examine a variety of developmentally appropriate resources for cross-curricular classroom use, appropriate strategies for evaluation and selection of those resources, and current issues that affect curriculum decisions. Likewise, literacy strategies that create independence in reading and writing across the content areas are also emphasized.

## Prerequisites:

## Co-requisites:
EDBE 4490.090 Curriculum & Assessment (may be enrolled during the course)

## Required Text:

Texas Essential Knowledge and Skills at [www.tea.state.tx.us](http://www.tea.state.tx.us).

English Language Proficiency Standards at [www.tea.state.tx.us](http://www.tea.state.tx.us).

## Recommended Resources and References:

99 Ideas and Activities for Teaching English Learners with the SIOP Model. Boston, MA: Allyn and Bacon.
Course Goals or Overview:

(3 hours): Study of methods and techniques of teaching English as a second language in elementary and secondary schools; language development techniques and materials for students of different levels of English proficiency. Focus on helping students to develop strategies (consistent with state standards for language and content learning) that can improve the English language proficiency and grade-level subject matter knowledge of English language learners; required for students seeking EC-6 Generalist Certification with specialization in bilingual or ESL education or 4-8 certification with mathematics/ESL, science/ESL, social studies/ESL, Reading/ELA/ESL or special education; requires 10 hours of field experiences. Pre-requisites are: EDBE 3470, LIN 4030 and admission to the Teacher Education Program or consent of department; may be taken concurrently with EDBE 4470.

Learning Objectives/Outcomes: At the end of this course, the student will

1. Understand factors and procedures for planning ESL instruction, including consideration of student’s developmental characteristics and their individual needs (ESL 4.2k).
2. Understand a variety of methods and techniques appropriate for instruction in the ESL classroom (ESL 4.3k).
3. Understand strategies for fostering ESL students’ communicative competence (ESL 4.4k).
4. Use planning procedures to design effective, developmentally appropriate ESL and content instruction (ESL 4.2s, TESOL 3.a).
5. Design and implement appropriate instruction to address applicable Texas Essential Knowledge and Skills – TEKS (ESL 4.1k, 4.1s, TESOL 3.b).
6. Understand, select, and use instructional methods, resources, and materials appropriate for various goals and situations in the ESL classroom (4.5k, 4.3s, TESOL 3.c).
7. Understand the use and infuse technological tools and resources to facilitate and enhance ESL instruction (ESL 4.6k, 4.4k).
8. Use strategies which foster ESL students’ content–area learning (ESL 4.5s).
9. Engage students in critical thinking processes (ESL 4.6s).
10. Understand and apply principles of effective classroom management in a range of situations in the ESL classroom (ESL 4.7k, 4.7s).
11. Develop a reflective mind set about his/her learning and teaching in order to make decisions about curricular engagements based on an understanding as to its purpose in the curriculum.
12. Recognize professional journals, publications, and internet sites that are a significant source of information concerning literacy resources and processes.

The content and objectives of this course are aligned with the INTASC Standards of the Department of Teacher Education, with the state of Texas ESL standards, the National Teachers of English for Speakers of Other Languages (TESOL) standards, and the Pedagogy and Professional Responsibilities Standards (PPR).

INTASC STANDARDS

1. Knowledge of subject matter
2. Knowledge of human development and learning
3. Adapting instruction for individual needs
4. Multiple instructional strategies
5. Classroom motivation and management skills
6. Communication skills
7. Instructional planning skills
8. Assessment of Student Learning

PEDAGOGY AND PROFESSIONAL RESPONSIBILITIES STANDARDS:

TAC §228.30:
Generalist EC-6: The teacher promotes student learning by providing responsive instruction that makes use of effective communication techniques, instructional strategies that actively engage students in the learning process and timely, high-quality feedback.
4-8: T.A. Standard IV, Domain III: All teachers communicate information in different formats and for diverse audiences.

Tk20 – This course requires the thematic unit to be uploaded the week before final exams and assessed by the instructor in the UNT Dallas Tk20 Assessment System. This will require a one-time purchase of Tk20. Student subscriptions will be effective for seven years from the date of purchase. The following web link has the directions on how to purchase Tk20: http://payment.tk20.com/ctpayment/?id=untdallas. If you need assistance with Tk20 issues, please contact Genell McClendon at 972-338-1364 or genell.mcclendon@untdallas.edu.

TESOL STANDARDS

Domain 3: Planning, implementing and managing instruction: Candidates know, understand, and apply concepts, research, and best practices to plan classroom instruction in a supportive learning environment for ESL students. Candidates serve as effective English language models, as they plan for multi-level classrooms with learners from diverse backgrounds using standards based ESL and content curriculum.

ENGLISH AS A SECOND LANGUAGE (ESL) STANDARDS

Standard I. The ESL teacher understands fundamental language concepts and knows the structure and conventions of the English language.

Standard II. The ESL teacher has knowledge of the foundations of ESL education and factors that contribute to an effective multicultural and multilingual learning environment.

Standard III. The ESL teacher understands the processes of first-and second-language acquisition and uses this knowledge to promote students’ language development in English.

Standard IV. The ESL teacher understands ESL teaching methods and uses this knowledge to plan and implement effective, developmentally appropriate ESL instruction.

Standard V. The ESL teacher has knowledge of the factors that affect ESL student’s learning of academic content, language, and culture.

Standard VI. The ESL teacher understands formal and informal assessment procedures and instruments (language proficiency and academic achievement) used in ESL programs and uses assessment results and adapt instruction.

Standard VII. The ESL teacher knows how to serve as an advocate for ESL students and facilitate family and community involvement in their education.

ESL COMPETENCIES State Standards & Expectations for the beginning teacher

The Standards
Competencies
• Domain I — Language Concepts and Language Acquisition
• Domain II — ESL Instruction and Assessment
• Domain III — Foundations of ESL Education, Cultural Awareness and Family and Community Involvement
• Domain IV — English Language Arts and Reading
• Domain V — Mathematics
• Domain VI — Social Studies
• Domain VII — Science
• Domain VIII — Fine Arts, Health and Physical Education

The beginning ESL teacher:
A. Understands the nature of language and basic concepts of language systems (e.g., phonology, morphology, syntax, lexicon, semantics, discourse, pragmatics) and uses this understanding to facilitate student learning in the
ESL classroom.

B. Knows the functions and registers of language (e.g., social versus academic language) in English and uses this knowledge to develop and modify instructional materials, deliver instruction and promote ESL students’ English-language proficiency.

C. Understands the interrelatedness of listening, speaking, reading and writing and uses this understanding to develop ESL students’ English-language proficiency.

Course Evaluation Methods
This course will utilize the following instruments to determine student grades and proficiency of the learning outcomes for the course.

Exams – textbook readings, lecture notes, video reviews, group discussions and class activities and assignments.

Assignments – Assignments will be based on group and individual assignments and presentations. All assignments must be submitted with a professional presentation, grammar and writing style free from errors as well as subject, research, and text related. Outside sources will be considered as support for each presentation and major project. In addition, the assignments have been designed to measure knowledge and skills gained and applied in different settings. Practice and demonstrating instructional strategies will take place in class on an individual bases. This will provide time for everyone to select an instructional strategy from the list and demonstrate it in class. Some activities will be in groups and will be considered as part of an assignments or teaching technique.

Presentations are to be delivered and presented with research support, practical use with second language learners, and in a professional manner. Quality presentations for each assignment is expected throughout the semester. A scoring rubric will be used for evaluation purposes. All projects will be presented and or submitted on the due date in accordance with the semester calendar.

Grade of Incomplete, “I” – Students seeking to receive an incomplete will need to be in good standing, have 80 % of their work completed, must meet either one of the following: 1) emergency surgery, military duties, or family emergency (funeral or medical). The student must submit a request for an incomplete in order for the instructor of record to review the request and situation. A decision will be made by the instructor and will notify the student of the decision and required timeline for all assignments, exams and presentations to be completed. All work will be required to be completed within the date set by the instructor. Additional time requested from the student will require a review from the dean and the chair of the department.

Class Participation – daily attendance, participation in class discussions are required. Full points will be awarded for students who demonstrate active participation, demonstrate leadership, model professionalism, disposition, and pays attention to detail. Students are expected to participate throughout the semester.

Grades & Performance in Class
Student work and performance should be demonstrated with an above-and-beyond attitude and delivery of course work. Grades on all assignments will be based on the categories of outstanding, good, average, and poor work submitted or presented. EXTRA CREDIT: +10 points awarded for students who attend a conference related to the course. Proof of attendance will be required.
