UNT Dallas Campus Safety, Security and Crime Awareness Report

October 1, 2014

The safety and security of all members of the university community are of paramount concern to the University of North Texas at Dallas (UNTD). UNTD strives to be a safe environment for all members of our learning community. We work to achieve this by developing a partnership with students, administrators, faculty, staff, and the community.

Success in safety and crime prevention at UNTD depends in large part on the education and participation of the campus community. The campus community is provided information about safety programs and services, but is also advised that they are ultimately responsible for their own security and safety. Each year the university will publish an annual report concerning campus security and crime statistics. This contains information for reporting of crimes, important university policies and procedures, law enforcement authority on campus, and support services for victims of crimes.

It is the policy of UNTD to provide an environment conducive to an educational mission; thus any conduct that is prohibited by state, federal, or local law is subject to discipline under the provisions of UNTD policies, as appropriate. The university monitors and reports to area law enforcement agencies any illegal conduct of students, faculty, or staff on university premises or off-campus locations. In addition, university officials may refer any evidence of illegal activities to the proper local, state, or federal authorities for review and potential prosecution.

Policy for Preparing the Annual Disclosure of Crime Statistics

The University coordinates the collection and reporting of crime statistics as specified in the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act). Each year, the University will notify all enrolled students and employees, via email or campus mail, that they can view the report online. Copies of this report also may be obtained by prospective students upon request from the Office of the Associate Provost for Student Success. Prospective employees may obtain a copy of this report upon request from Human Resources.

Annual crime statistics for UNT Dallas are included at the end of this document. Copies of the annual crime statistics and this report are available from the Campus Police Office. All
UNTD campus crime statistics for 2013 have been reported to the U.S. Department of Education through the University of North Texas.

The report is prepared in cooperation with the campus police, local law enforcement agencies and the Division of Student Success and designated campus officials. Each entity provides current information about its safety and security educational efforts and programs. The University provides annual guidance to employees on campus who are likely to receive reports of criminal activities. These "designated campus officials" are required to immediately inform campus police of reports of certain crimes made to them that might have occurred on university property, in or on non-campus buildings or property or on public property immediately adjacent to campus. Additionally, a letter is sent annually to designated campus officials requesting information about all reports of certain crimes that have been made to them during the year. Campus police follow up on all reports of criminal activity in areas under its jurisdiction. A procedure is in place to report crime statistics disclosed confidentially during a session with a mental health or medical provider. Reports of criminal activity given to designated campus officials, anonymous reports, and reports of crimes made to local law enforcement agencies are collected and included in the crime report as required by the Clery Act.

**Suzanne's Law**

Time is of the essence when a person is missing. The National Child Search Assistance Act now allows police to report missing persons less than twenty-one years of age to the National Crime Information Center and begin an investigation as soon as a missing person report is received. If you receive reliable information that a student cannot be located, please call the campus police immediately at (972) 780-3000.

**Access and Security of Campus Facilities**

UNTD is an open campus; however, access to the campus and university facilities is controlled by written policy and state law. Only authorized students, faculty, staff, and visitors may enter upon or use university facilities. Unauthorized persons, once identified, are asked to leave the campus. Those persons failing to comply with policy, directives, or state law can be prosecuted for trespassing.
Security of Campus Facilities

Campus police regularly patrol the grounds and buildings at UNTD. Facilities personnel maintain university facilities with a concern for safety and security. Lighting surveys are conducted on a regular basis to spot any lighting concerns or areas in need of repair. In addition, defective lighting conditions are reported as detected by building service personnel and police officers. Campus police conduct security audits as needed to continually assess facility security needs.

Campus Law Enforcement

The police officers located at UNT Dallas (UNTDPD) are empowered by the state and have authority to stop vehicles, make arrests, and enforce all laws throughout Dallas, Tarrant and Denton counties. Campus police jurisdiction includes the UNTD campus. UNTDPD maintains liaison with other local, state, and federal law enforcement agencies in support of campus security and safety efforts. * UNT Dallas Police Department became an independent and fully licensed department on April 1, 2012. Prior to April 1, 2012, UNT Dallas police officers were employed under license of the University of North Texas Police Department.

Safety and Security Programs

Security Escort Services: Campus police provides a security escort service for the UNTD community. The service is available during the evening/night hours (after dark), but is limited to on-campus locations. Call (972) 780-3000.

Emergency Phones: Emergency phones have been placed at strategic locations across campus. When the emergency button is pushed, the location of the call is automatically identified and the caller is connected to police dispatch. Individuals with hearing impairments should dial (800) RELAY TX (TTY).

Motorist Assistance: Campus police assists the university community when individuals are unable to start their vehicles, retrieve locked keys, etc. Some services are not available at all times, but campus police will assist people in obtaining services from another source.
Crime Prevention Programs

Programs designed to make community members aware of campus police and security procedures, and crime prevention efforts, and to encourage individual involvement in personal safety are regularly conducted on the UNTD campus. Programs are provided each semester and are available through the campus police, Office of Student Life, Human Resources Department, Counseling Clinic, and other departments that coordinate activities on campus. Crime awareness/prevention information is also part of freshman and new employee orientation. Prevention programs include:

- Personal Safety/Self Defense
- Theft/Robbery Prevention
- Safety and Security in the Workplace/Campus
- Emergency Preparedness
- Alcohol Abuse and Binge Drinking

Policies and Crime Reporting Procedures

Individuals should immediately report alleged criminal actions (including sex offenses and child abuse) or emergencies that occur on or off campus. Campus police have established procedures to accept reports of alleged criminal actions anonymously or confidentially.

For Emergencies:
Dial 911 on campus phone or personal cell phone. Emergencies may include, but are not limited to: any crime in progress, medical emergencies, a person being forced into a vehicle, a strange car repeatedly driving in the same area of campus, any intoxicated person, safety hazards, or any situation that you believe is suspicious or dangerous.

For Non-Emergencies:

- Call campus police at (972) 780-3000 or personally visit the UNTD police offices located in Building 2, Founders Hall, Suite 131.
- Contact an officer in uniform on patrol
• Request that any campus official assist with reporting the alleged crime. TTY callers: (800) RELAY TX

Campus Crime Authority

You are encouraged to report alleged crimes by using the above means; however, there are campus officials to whom you may also report a crime who have significant responsibility for student and campus activities, but do not have significant counseling responsibilities. These officials include all deans, directors, department chairs, vice presidents, and administrators at the Associate Provost level or higher. For names and numbers of such officials, please use the University Directory or call the university operator at (972) 780-3600.

Campus police will review reports of alleged criminal activity and either send an officer immediately or refer the report for subsequent investigation, depending upon the nature and seriousness of the offense involved. Individuals reporting an alleged crime should attempt to preserve evidence that might prove the crime was committed. All criminal incidents are investigated by campus police. Campus police response(s) include, but are not limited to:

• immediate response to emergencies through dispatch of one or more officers;
• investigation of reports in accordance with procedures;
• arrest and filing of charges, depending upon the circumstances of the incident;
• referring alleged offenders to appropriate campus agencies, such as the Office of Student Life; and
• making timely warning and reports of crimes that represent a continuing threat to students and employees.

Obligation to Report Child Abuse

There are occasions when minors (children under the age of eighteen) are on Campus as visitors, volunteers, or participants in a program. Therefore, UNT Dallas would like all students, faculty, and staff to be aware of their obligation to report suspected abuse if they see or have reason to believe that a child’s physical or mental health or welfare has been adversely affected by abuse or neglect by any person.

Reports of suspected child abuse shall immediately be made to either:
1. Local or state law enforcement, including UNT Dallas Police Department at 972-780-3000; or
2. The Department of Family and Protective Services (CPS) at 1-800-252-5400 or online at www.txabusehotline.org

Notes: [The report should try to identify, if known, the name and address of the child, the name and address of the person responsible for the care, custody, or welfare of the child; and any other pertinent information.]

[Any person who acts in good faith to report suspected child abuse is immune from civil or criminal liability. However, failure to report may be a misdemeanor when a person has cause to believe a child’s physical or mental health or welfare has been or may be adversely affected by abuse or neglect. Of course, a person who knowingly makes a false report may be committing a felony criminal offense.]

(Tex. Family Code §§261.101-109)

Policy for Reporting Child Abuse and Neglect

Emergency Response and Evacuation Procedures

Emergency Preparedness and Response

UNTD regularly develops and annually updates plans and procedures, in cooperation with the UNT Dallas PD, UNT Risk Management Services (RMS), the Campus Emergency Response Team (CERT), and the Campus Emergency Management and Recovery Team (CEMART), for emergency response and recovery for the campus community. Emergency plans and procedures as well as a variety of additional resources are available for viewing at: UNT Dallas Homepage/Explore UNT Dallas/Police Department. Possible emergencies that may occur include, but are not limited to, the following:

• Bomb threat
• Campus violence / active shooter
• Civil unrest
• Explosion
• Fire (localized building fire or wildfire)
• Gas leak
• Hazardous material spill
• Public health crisis
• Severe weather
• Terrorist incident

The UNTD Police Department in cooperation with UNT Risk Management Services (RMS) conducts tests of emergency response and evacuation procedures, at least annually, through a variety of drills and exercises designed to assess and evaluate emergency plans and capabilities. Emergency notification systems are tested at least once annually. Exercises may include tabletop, functional, full-scale, or any combination thereof. Tests may be announced or unannounced in advance to the campus community. Each test is documented, including at a minimum, a description of the test, the date and time, and whether it was announced or unannounced.

Various campus units, including RMS and UNTD PD, utilize outreach programs to train and educate the campus community, providing the knowledge needed to respond appropriately to various types of hazards. Additionally, UNTD annually publicizes emergency response and evacuation procedures to the campus community. This publicity occurs primarily through multiple “blast” emails sent to employees and students throughout the year.

The primary law enforcement response to emergencies occurring on UNTD property is UNTD PD. Emergencies requiring a Fire Department/EMS (Emergency Medical Services) response are provided by the City of Dallas. UNTD PD is usually first to respond to emergencies occurring on the UNTD campus and works with City of Dallas responders when necessary to resolve the situation.

Students and employees are required to notify UNTD PD of any situation or incident occurring on campus that may constitute an immediate threat to the health and/or safety of students and/or employees. Emergencies may be reported by dialing 911 from any cell phone or campus landline. 911 calls are received and responded to by the City of Dallas Police Department.
Emergency Notification

Upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the life, safety, or security of the campus community occurring on campus, UNTD will, without delay, and taking into account the safety of the community, determine the content of emergency notification messages and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or contain, respond to, or otherwise mitigate the emergency.

The following campus officials have been designated to serve as authorized officials who are empowered to approve the content and issuance of emergency notifications:

- President
- Provost
- Chief Financial Officer (CFO)
- Police Chief
- Associate Provost for Student Success
- General Services Director
- Police Officer on duty

When an authorized official receives a report of an imminent or already occurring situation that poses an immediate threat to life, safety, or security on campus, s/he will confirm the report. Depending on the situation, confirmation may be achieved through one or more of the following sources:

- Investigation by UNTD Police Department (UNTD PD)
- Investigation by other UNTD campus units, including but not limited to, Facilities in cooperation with UNT RMS.
- Investigation by City of Dallas Fire Department and/or Police Department
- Dallas County Emergency Services and/or Health Department
- Texas Department of State Health Services
- Media reports originating from the incident scene
- Personal knowledge or observation
The authorized official will determine, consulting with other campus officials as appropriate, how much information is appropriate to disseminate at different points in time. This determination will be based on the following:

- Nature of incident or threat
- Location of the incident or threat
- Segment to be notified

Depending on the circumstances, UNTD may send emergency notification messages to the entire campus community or only a segment of the population. If a confirmed emergency situation appears likely to affect a limited segment of the campus community, emergency notification messages may be limited to that group. If the potential exists for a very large segment of the campus community to be affected by a situation or when a situation threatens the operation of the campus as a whole, then the entire campus will be notified. In any case, there will be a continuing assessment of the situation and additional segments of the campus community may be notified if the situation warrants such action.

The authorized official will, considering the nature of the threat and the population to be notified, choose the appropriate communication tool(s) to utilize. UNTD has at its disposal a number of tools that may be used to disseminate emergency notifications to the campus community. Emergency notification will typically be sent through Jag Alert, email, UNTD’s website, and/or social media.

The authorized official will approve the issuance of notification and either issue the notification message him/herself, or contact a trained user of the notification system to issue the message. As the event unfolds, information regarding the status of the emergency will be disseminated to the larger community as soon as possible by University Communications and Marketing in collaboration with UNTDPD and/or other campus units. This information may come in the form of updates to e-mail. Jag Alert, UNTD’s website, social media, and/or communications directly with the media, if necessary.

All students and employees are automatically enrolled in Jag Alert using the telephone numbers that were provided during the registration or hiring process. Students and employees are encouraged to check their contact information for accuracy and update it as soon as it changes. In case of an emergency, a message will be sent to each of these numbers. A student or employee
may elect not to receive notifications from the university. This preference must be submitted electronically or in writing and must be renewed at the start of each academic year.

Jag Alert may be used to notify the campus community of severe weather, such as tornado warnings. However, the City of Dallas owns and operates outdoor warning sirens which notify residents of the presence of severe weather.

**Timely Warnings**

UNTD provides timely warning to the campus community by posting crime awareness alerts when a crime is reported to a campus security authority, campus police or local law enforcement and is considered to represent a continuing threat to students or employees.

Based on the circumstances of the crime alert, bulletins are sent to campus and local newspapers, posted on campus bulletin boards or other appropriate locations, and sent out on campus e-mail.

**Off-campus Criminal Activity**

Campus police jurisdiction includes the UNTD campus and non-campus buildings. UNT Dallas police communicate regularly with the Dallas Police Department to aid in the coordination of the activities of these agencies. The Dallas Police Department provides information to campus police about criminal activity at off campus properties owned or controlled by registered student organizations.

**Sex Offenses**

If any member of the UNTD community is a victim of sexual assault, including rape, acquaintance rape, forcible and non-forcible sex offenses, sexual harassment, sexual violence or
sexual coercion, there are many services available to assist, but first, the individual’s safety is of the utmost importance.

If you or a member of the community is a victim of sexual assault, please contact any of the following offices:

- UNTD Police 972-780-3000
- Office of the Associate Provost for Student Success/Dean of Students 972-780-3059
- Office of Student Life 972-780-3632
- Equity and Diversity (Title IX coordinator) 972-780-3037

Victims of sexual assault that have occurred on campus should notify campus police immediately. Victims may seek assistance of other campus personnel to assist in reporting a sexual assault to the police department. If the assault occurred outside of the UNTD campus, call the local police department where the assault occurred.

Following the assault, in order to preserve evidence necessary for the proof of criminal sexual assault, victims should not bathe, douche, or change clothes. After reporting the assault to police, victims should go to a hospital emergency room for a sexual assault examination. Victims may choose to have someone take them to the hospital or a police officer can meet them at their location to provide transportation. The police officer will need to obtain a statement describing the details of the assault.

A counselor from the Dallas Rape Crisis center will be contacted to meet with victims at the hospital. The counselor will talk with victims and inform them of their options involving counseling. Counseling services in Student Life offers professional counseling to sexual assault victims. Off-campus counseling options include:

The sexual assault victim may choose a pseudonym (fictitious name) and address to maintain the confidentiality or a pseudonym will be assigned at the request of the victim. If the victim presses charges, the campus police will conduct a thorough investigation. There is a possibility that some courtroom testimony may be required if the case goes to trial.

The university provides assistance in changing academic schedules after an alleged sexual offense if so requested by the victim and if accommodations are reasonably available. Arrangements for changes in academic schedules can be made by contacting the Office of Student Life.

The University of North Texas at Dallas will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report containing the result of any disciplinary proceeding conducted by the University against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the victim’s next of kin shall be treated as the victim with regard to the dissemination of the report.

**Procedures for disciplinary action**

Policies and procedures regarding campus disciplinary proceedings are described in the Code of Student Rights, Responsibilities and Conduct on UNT Dallas' Policy Index. The accused and the accuser are entitled to the same opportunities to have others present during a campus disciplinary proceeding and both will be informed of the outcome of such proceedings. Sanctions for violations of the Code of Conduct range from a warning to permanent expulsion.

**Registered Sex Offender Registry**

Information concerning registered sex offenders may be obtained at the Texas Department of Public Safety website at [www.txdps.state.tx.us](http://www.txdps.state.tx.us)
Alcohol and Drug Policies and Penalties

The abuse of alcohol and other drugs by members of the university community is incompatible with the goals of our academic institution. UNT Dallas has a policy prohibiting drugs and the illegal use of alcohol.

Substance abuse programs are offered at UNTD in order to ensure alcohol and other drugs do not interfere with the goals of the student or staff member. These programs are designed to:

• publish and enforce policies for employees and students that promote an educational environment free from the abuse of alcohol, illicit or other drugs;
• educate the campus community about the health risks associated with the abuse of alcohol and other drugs;
• provide confidential, effective assistance to students and employees who seek help for substance abuse problems; and
• create a campus environment that promotes and reinforces healthy lifestyles and responsible decision making.

Alcohol

UNT Dallas has established a campus alcohol policy which may be found: [http://www.untdallas.edu/sites/default/files/page_level2/pdf/policy/11.003%20Alcoholic%20Beverages.pdf](http://www.untdallas.edu/sites/default/files/page_level2/pdf/policy/11.003%20Alcoholic%20Beverages.pdf)

Drugs and Inhalants

Students and employees may not use, possess, sell, manufacture, or distribute illegal drugs, inhalants, or controlled substances (narcotics or dangerous drugs), be in possession of drug paraphernalia, or misuse any legal drug or other substance in or on university owned or controlled property or as a part of any university sponsored activity.

Employees may not work under the influence of illicit drugs and may not abuse legal drugs or inhalants.
Penalties

**Students:** Penalties that may be imposed for conduct related to the unlawful use, possession, or distribution of drugs or alcohol are: probation (both conduct or disciplinary), payment for damage to or misappropriation of property, loss of rights and privileges, suspension for a specified period of time, expulsion, or such other penalty as may be deemed appropriate under the circumstances.

**Employees:** The unlawful use, possession, or distribution of drugs or alcohol, or engaging in conduct prohibited by university policy regarding the manufacture, sale, possession, distribution, or use of alcohol or illegal drugs will result in penalties that range from mandatory counseling to dismissal. Continued employment/re-employment may also be contingent upon participation in or successful completion of university approved drug/alcohol counseling and rehabilitation programs.

The use or possession of alcohol or drugs by an employee on university premises (except as authorized by the university) is defined as misconduct by the University of North Texas System's "Policies and Procedures for Discipline and Dismissal of Employees." The unlawful use, possession, or distribution of illicit drugs or alcohol by an employee is prohibited by the University of North Texas System's "Policy on Drugs and Alcohol."

Individual students, employees and organizations violating university policies or engaging in conduct that is prohibited by state, federal, or local law are subject to discipline under the provisions of campus policies, as applicable. In addition, university officials may refer any evidence of illegal activities to the proper local, state, or federal authorities for review and potential prosecution.

Every student and staff member should read and become familiar with the policies on alcohol and other drugs that are discussed in the UNTD *Student Code of Conduct* and *University of North Texas at Dallas Policy Manual*. In addition, more information is available on the health risks associated with drugs in the Student Life Office.

*Alcohol and Drug Counseling and Treatment Resources*
UNTD has services dedicated to education, counseling, prevention and treatment of drugs and alcohol. Services are available to all students. Self-referral and consultations are welcomed. The following are counseling and treatment resources intended to eliminate the abuse of alcohol and the use of illegal drugs.

- Referrals and Resource Information
- Individual Therapy
- Group Therapy
- Research, materials, and pamphlets
- Programming
- Web based alcohol prevention program

In addition to these services, the Employee Assistance Program (EAP) is provided through UNTD Human Resources to assist employees and their families with personal matters by referral to agencies, facilities, or individuals that may best be able to meet their needs. To contact an EAP coordinator, call 972-780-1410

**Drug-Free Schools and Communities Act**

The Drug-Free Schools and Communities Act, Public Law 101-226, is intended to combat substance abuse on college campuses through methods of punishment, rehabilitation, and prevention. This act requires that colleges certify that annual alcohol and drug information is distributed to each employee and student. This information must include the consequences of unlawful drug or alcohol possession, as well as information about available drug and alcohol counseling.
