Policy Statement. The University of North Texas at Dallas recognizes that learning takes place in a wide variety of settings and under a wide variety of circumstances. Involvement and participation in a recognized student organization provides opportunities for developing leadership skills and enhances campus life at UNTD. In recognition of the important role of student organizations in student formation and the significant contribution they can provide to the mission of UNTD, the university supports the growth of student organizations in accordance with these policies.

Application of Policy. This policy applies to all students.

Definitions.

1. Advisor. “Advisor” means any faculty and/or staff member (full-time OR part-time) who is available to advise a student organization, to serve as a UNTD resource, to provide an educational experience for the individual members, and to serve the UNTD community by functioning as a UNTD representative.

2. Constitution and by-laws. “Constitution and by-laws” document approved by a student organization that governs the operations of the student organization.

3. Risk management program. “Risk management program” means a program offered through the Office of Student Life and Success to assist student organizations with the identification of potential and perceived risks that might be involved in their activities and to identify steps to minimize or avoid risks where practical.

4. Student organization. “Student organization” means a group of UNTD students joined together in the pursuit of a common purpose. Such organizations must be open to all students without regard to race, color, sex, age, national origin, religion, sexual orientation, disability or veteran status.
